## The Anointed Generation

As we see the world cascading down into utter depravity, we wait patiently for the Lord to make His next move. What we are nearing is a cataclysmic time of epic proportions. It is truly a violent upheaval that if the days were not shortened, even the elect would be deceived.

The introduction of sin and the excommunication from the garden sent man on a fleshly journey. So much so that God declared, "My Spirit shall not always strive with man, for he is also flesh: yet his days shall be a hundred and twenty years," (Gen. 6:3). Every generation has tried to find a way to control God's creation. The work of man at the tower of Babel, again, prompted God to step in and intervene by implementing a language barrier and scattering everyone all over (Gen 11:9). God patiently waited for the right generation to send the redeeming Savior or the Second Adam.

**Jesus' arrival allowed for the return of the Anointing.**

## Sons of God

A chosen generation is not by happenstance. Down through time and through the process of maturation a generation is chosen for a specified purpose. In Jesus' time His birth, upbringing, baptism, ministry, death and resurrection were all appointed. He reintroduced what was lost in the first generation at the fall of man, and brought forth the return of the Spirit. What the first Adam lost resulted in a fleshly journey (without the Spirit). What the second Adam provided was a spiritual journey back to relationship with the Father.

The second-generation life only comes by way of being born-again

through Jesus and receiving the Holy Spirit. As an anointed generation it is about to become very clear who and what everyone is. The process of maturation cannot be emulated any longer. The Sons of God are appointed for a day of appearing to salvage the remaining souls on the earth. As Satan continues to make every effort to overthrow God's creation and delay the execution of his sentencing, the anointed generation that honors and serves God will carry out the latter rain mandate. **Where do you stand?**
